Select The Type Of Account That Bests Suits Your Needs:

- Deluxe Statement Only** -- Lists date, time, location, and total amount of purchases in date order for each card. Sub-totals can be provided for each card by vehicle, driver, or department if so desired. Additional options with the Deluxe Statement include Security PIN and/or card restrictions (select restriction below).
- SuperFleet Report** -- Includes all features of the Deluxe Statement plus a separate report showing fuel type, price per gallon, motor oil, merchandise, and state tax for each purchase (select restriction below)
- SuperFleet Report with Odometer** -- Includes all features of the SuperFleet Report, plus a break out for each vehicle in your fleet showing total miles driven, miles per gallon, and fuel cost per mile. Purchases are sub-totaled and grouped by vehicle in date sequence. You can select additional information to be listed on each purchase (driver ID, department). This option will require either specific coding of each card or driver entry of the requested numeric information at the time of purchase. Your employees may enter inaccurate information at the time of sale, therefore maximum reporting accuracy will be obtained when the information requested is encoded in each card you will be using (select restriction below).
